

This end-of-novel project is a fun way for 3rd, 4th, and 5th graders and middle school students to complete a book report after reading. This 3D project includes everything you need to plan, draft, and make a final project using a file folder.

What's included?

- Project directions
- List of Questions
- Notes Pages
- Project Details
- Book Review
- Rubric

A FUN PROJECT FOR THE END OF A NOVEL

Everything is included:

Project directions
List of Questions
Notes Pages
Project Details
Book Review
Rubric

Students choose what they want to share about their book. They select from a list of questions.

No Prep Work:

Students pick questions to complete their project.

They take notes

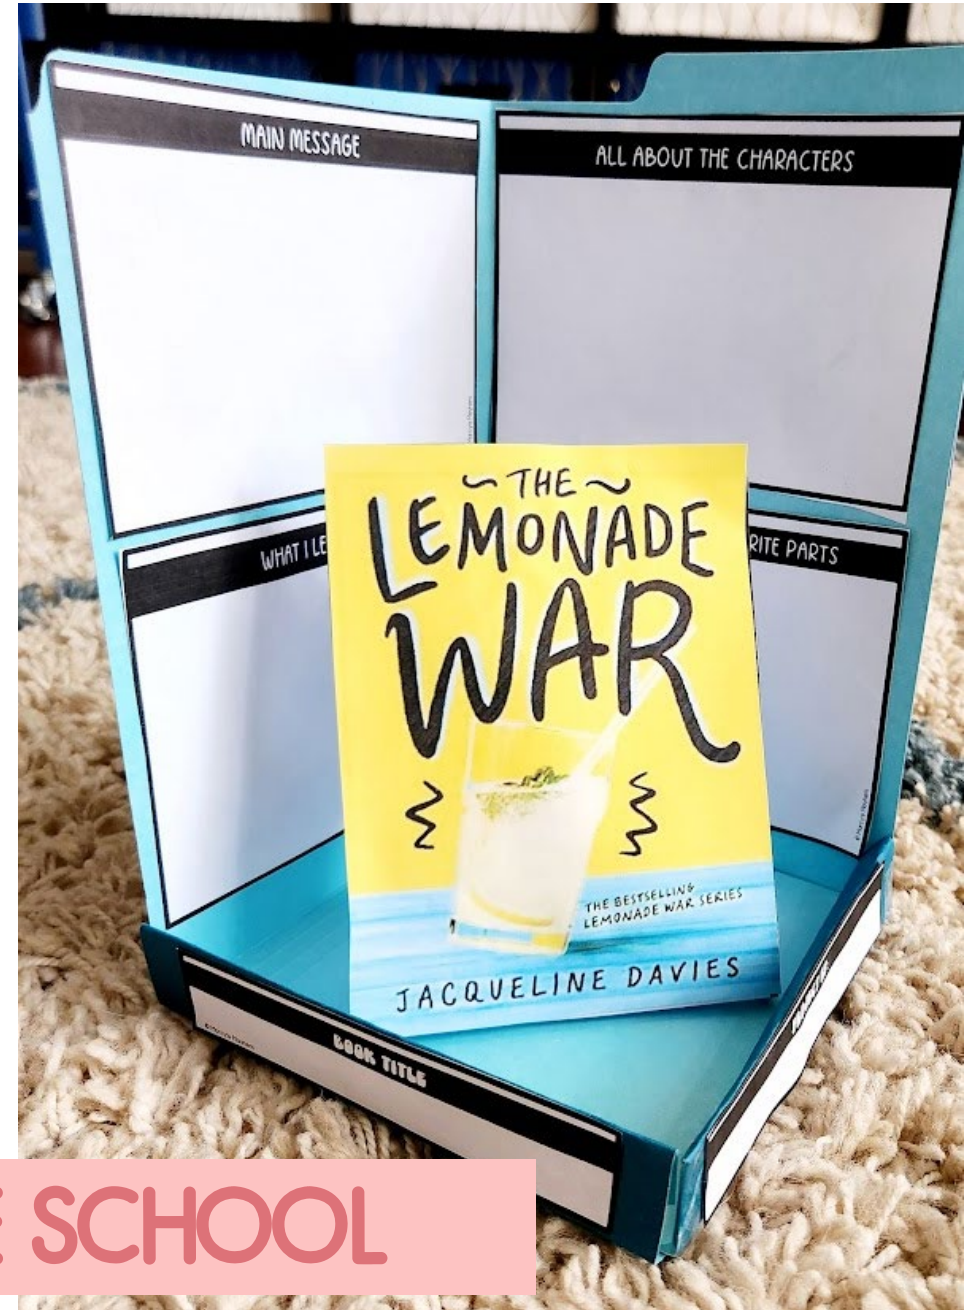

Complete their project using step-by-step directions

Not your traditional book report

Students create a unique 3D project

Use with ANY book!
